

The Blitz and Beyond!

Autumn Term 2017

During the Autumn term we will be studying World War 2

As **Geographers** we will look at Europe and the borders that were invaded during the War.

As **Artists** we will look at some of the art used as propaganda.

As **Scientists** we will describe materials and their properties. We will look at electricity and conduction of heat and light.

As those who are **Physically Active**, we will be developing our skills in invasion games including football and tag rugby and working on our dance skills.

As **Entrepreneurs** we will be working alongside Steins. We will design and make a product to sell at the Christmas market.

As **designers** we will be learning to reuse items that have been thrown away in an up-cycling project.

As those who study **religions of the world** we will be looking at Christianity and the meaning of peace. We will prepare a Harvest Festival and a Christmas Service at the Church.

We will plan a themed World War 2 week to involve the whole school in a mock evacuation.
