We welcome parents doing more with their children. There are lots of suggestions on the curriculum part of our website. If you require more suggestions please do ask the class teacher who will be happy to suggest other things.</i></p> <p><i>Transition has been exceptional, thank you!</i></p> <p><i>What amazing nurturing staff and environment</i></p> <p><i>More sport or swimming We deliver the government guidelines for PE and would love to do more but we have to fit the rest of the curriculum into the timetable too. We enter every school fixture and try</i></p>				

*and put on a range of sports clubs over the year. We have appointed a new PE leader who is looking to make break times extra fun and physical!
We deliver swimming in a block as children make more progress like this and it is slightly cheaper. It is also purposeless planned just before May half term in the hope children are reminded how to stay safe on our beaches.*

Great school, just wish the government would back off and let schools teach as they know best to.

*Please can the children wear sunhats during sports day whilst not competing?
Absolutely, we constantly remind children to wear it in school break times and will ensure that every child takes their hat out with them next year.*

*I would like to see my child read more in school
Children read x4 times a week in school within their literacy lesson and also within their topics. Class teachers record what they are reading and monitor this. It is unfortunately too labour intensive to write down for parents every time they read, we do encourage older children to use their reading logs to record when they have read something.*

St Merryn school is the best, my child is so happy, thank you.
