

A stable or a palace?

WAGTAILS CLASS

Welcome to Wagtails Class. Please find below an overview of our topics and subjects for the second half of the Autumn Term 2017. In addition to this, are our daily Maths and Literacy lessons.

As **Scientists** we will be investigating everyday materials. We will be describing, identifying, naming and comparing them. We will focus on building materials.

As those who are **Physically Active** we will be focusing on dancing and moving in different ways.

As **Artists** we will be exploring fabric through weaving and collage.

As **Designers** we will be designing and making a nativity scene to display at Padstow Church's crib exhibition.

As **Musicians** we will be learning new songs for our Nativity play. We will be working on using our voices creatively and expressively.

As those who study **spirituality and religions** of the world, we will be learning about special festivals, in particular we will be thinking about Jesus' birth.

As those who are **Personally and Socially** aware, we will be thinking about great learning behaviours.
