

September 2016

Dear Parents and Carers,

All children in reception, year 1 and year 2 will be given a free healthy school lunch.

Registering for free meals

You may be wondering why we are writing to you about registering for free school meals when you some children are already eligible for a free school meal in reception, year 1 and year 2.

The reason is this. Registering for free meals could raise an extra £1320 for our school, to fund valuable support like additional teaching staff or resources like specialist computer packages.

This addition money is available for every child whose parent is receiving one of the welfare benefits. It is therefore really important that you sign up for free school meals so that our school receives as much funding as possible.

You only need do the form once and your child will automatically receive free school meals for the rest of their primary education.

Mrs Worrall (in the office) can help anyone wanting support or access to the internet to complete the form or she can print the form from our website for you to complete in person and we will post it off for you.
