Statement of Health and Safety Policy

The Learning Academy Trust

1. Recognises its legal and moral responsibilities to persons who may be adversely affected by the Multi Academy Trust's activities.
2. Is committed to ensuring, by all reasonably practical means, the health, safety and welfare of its students, visitors, employees and contractors involved with its activities.
3. Will seek to ensure that its legal duties and policy objectives are complied with at all times.
4. Will ensure that all foreseeable risks associated with the Multi Academy Trust's activities are identified and removed or controlled through a process of risk assessment and management.
5. Will ensure that all employees are given such information, instruction and training as may be necessary to enable the safe performance of their duties.
6. Will seek to inform students' parents or guardian of any health, safety or welfare issues relevant to their child or children.
7. Have detailed the arrangements for health safety and welfare in the Organisation and Arrangements associated with this policy statement.
8. Will ensure, as far as is reasonably practical, that this policy statement and supporting documents are kept up-to-date. A formal review and re-adoption of this policy will be carried out by no later than October 2019

Approved and adopted by:

Chair of the Board of Trustees

Chief Executive Officer

16th October 2018

Multi Academy Trust Responsibilities

It is recognised that individuals and groups of individuals have responsibilities for health safety and welfare in the Multi Academy Trust (MAT). The individuals and groups identified below are expected to have read and understood the MAT's policies and procedures for ensuring health safety and welfare and to conduct their duties in accordance with them.

The employer

The employer in this MAT is The Learning Academy Trust. The employer has the ultimate responsibility and must ensure that there are arrangements in place for the health safety and welfare of students, staff, visitors and contractors.

Board of Trustees

The Trustees are responsible for ensuring that mechanisms and procedures are in place for health safety and welfare. The trustees will receive regular reports to enable them, in collaboration with the Governors and Executive Headteacher Kaye Pitcher to prioritise resources for health safety and welfare issues.

The Board of Trustees have appointed Clare Ridehalgh Business Director oversee the management of health and safety across the MAT.

Chief Executive Officer

The Chief Executive Officer has responsibility for:-

- Day-to-day management of all health safety and welfare matters in the MAT in accordance with the Statement of Safety Policy;
- Ensuring that regular health safety and welfare inspections are carried out;
- Submitting regular health safety and welfare reports to the employer;
- Ensuring that action is taken on health safety and welfare issues;
- Passing on information received on health safety and welfare matters to appropriate people;
- Carrying out accident investigations;
- Chairing the MAT Health and Safety Committee;
- Identifying and facilitating employee training needs;
- Liaising with governors and the employer on policy issues and any problems in implementing the Safety Policy;
- Co-operating with and providing necessary facilities for trades union safety representatives;
- Providing necessary facilities for all employees to be consulted on health safety and welfare matters;
- Ensuring that any contractor appointed to deliver services or carry out work is competent to do so;
- Monitoring contractors to ensure that the Health and Safety Policy is complied with;
- Take action where any contractor is found to be working in a manner which is considered to be unsafe.

Whilst responsibility for the above cannot be delegated, the function of carrying out these tasks can be delegated to other members of staff. In this MAT the following functions have been delegated to:-

Function	Delegated to
Day to day health safety and welfare management	Executive Headteacher – Kaye Pitcher
Regular inspections	Ian Drake
Accident Investigation	Head of School
Chairing Health and Safety Committees	Clare Ridehalgh
Employee training needs	Undelegated at present
Contractor management	Ian Drake

Competent Health and Safety Advice

The MAT recognises that it must have access to competent health and safety advice. The MAT's competent advisors are

The Health, Safety and Wellbeing Services Team, Cornwall Council

Local Roles and Responsibilities for Health and Safety

LAB

The LAB of each school in TLAT are responsible for ensuring that mechanisms and procedures are in place for health, safety and welfare. The LAB will receive regular reports to enable them, in collaboration with the Executive Headteacher and Head of School to prioritise resources for health, safety and welfare issues.

The LAB for this school have appointed a Safety Governor to receive information, monitor the implementation of policies, procedures and decisions and feed back to the Governing Body on health, safety and welfare issues.

The Safety Governor for this school is Nina Pendleton

Senior Management and Faculty/Department Heads

Senior management and faculty/department heads have responsibilities for:-

- Day-to-day management of health, safety and welfare in accordance with the Health and Safety Policy;
- Drawing up and reviewing departmental procedures regularly;
- Ensuring that suitable risk assessments have been carried out for all activities where there is a significant risk;
- Carrying out regular inspections and making reports to the Head of School

- Ensuring action is taken on health, safety and welfare issues;
- Arranging for employee training, information and instruction;
- Passing on health, safety and welfare information received to appropriate people;
- Acting on reports from employees, the Executive Headteacher; the LAB and the Local Education Authority.

All Employees

All employees have a general responsibility, as far as reasonably practical, to ensure the health safety and welfare of themselves and others who may be affected by anything they do or fail to do. In particular employees have a responsibility for:-

- Checking that classrooms/work areas are safe;
- Checking equipment is safe before use;
- Ensuring safe procedures are followed;
- Ensuring protective equipment is used when needed;
- Participating in inspections and the Health and Safety Committee if appropriate;
- Bringing problems to the relevant manager's attention.

In addition all employees have a responsibility to co-operate with the employer on matters of health and safety.

Volunteers

Volunteers (such as parent-helpers, etc.) have a responsibility to act in accordance with the academy's policies and procedures for health safety and welfare and to report any incident or defective equipment to a member of staff immediately.

Volunteers are expected to act only under the supervision of a qualified employee.

1. Arrangements for the Supervision of Students

Opening Times

The School will be open from:-

08:55 for all Students, Breakfast Club runs from 08:00 – 08:55

And will close to students at:-

15:10 for all students, After School Club runs Monday to Thursday FROM
15:10 – 18:00

Between these times supervision will be provided. Students will not be allowed on site outside of these times.

Supervision arrangements:

At St Merryn School:

Locations of supervisors between academy opening and lesson start time.

- School opens at 08:55 and class teachers are responsible for pupils.
- Supervision ratios 1:30 Maximum in the school playgrounds at break times and lunchtimes;
- The Drop off point for all pupils is the classroom door
- Collection at end of the academy day is from the class room door.
- The children are realised from their class to their parents
- Children who have not been collected are walked through the school to the academy's reception and parents or guardian are called by the academy's receptionist.

After School Lettings

Unless specifically agreed in the Letting Agreement the School does not provide supervision for any groups using its facilities as part of a letting/hiring arrangement.

2. First Aid

Assessment of Needs

An assessment of first aid needs has been carried out and has identified that the following numbers of trained staff is required:-

First Aid at Work Qualified 18

Emergency Aid Qualified 4

Paediatric First Aid Qualified 22

First Aid Coordinator

Head of School is responsible for overseeing the arrangements for First Aid with the School. The First Aid Coordinator's duties include ensuring that:-

- First Aid equipment is available at strategic points in the School
- All staff are trained in First Aid procedures

Qualification	Person:	Date:
First Aid at Work Emergency Aid Qualified	Mrs Golay Mrs Mitchell Mrs Cooper Mrs Brook Mrs Pitcher Mrs Berrington Miss Clayton Mrs Williams Mrs Ibbotson Mrs Hicks Mrs Olivey Mrs V Worrall Mrs Lindsey Miss Rees	04/09/2017
Paediatric First Aid	Mr Cotton Mrs Bateman Mrs Williams Mrs Curtis	

- First Aid qualifications are, and remain, current.

This person will also regularly check first aid logs for indications of recurrent or frequently reported types of injury.

First Aiders

The First Aider listed above will provide First Aid treatment for anyone injured on site during the school day. They will also provide, as appropriate, First Aid cover for:

- Trips and visits
- Extra-curricular activities organised by the School (e.g. sports events, after School clubs, parents' evenings, School organised fund raising events etc.)

First Aid cover is not provided for:

- Contractors
- Events organised by third parties (fetes, evening clubs, etc.)
- Polling Days
- External lettings

First Aiders are responsible for ensuring that First Aid Logs are completed for all treatment given and that the necessary details are supplied for the reporting of accidents (see Reporting of Accidents section)

Treatment of Injuries

The School will rely on the knowledge and experience of its trained First Aiders in order to administer appropriate treatment to injured persons.

In emergency situations the First Aider will call (or instruct another member of staff to call) 999 and request that an ambulance and paramedics attend.

Where there is any doubt about the appropriate course of action the First Aider will be expected to consult with the Health Service Helpline 111

And, in the case of student injuries, with the parents or legal guardian.

Suspected Head, Neck and Spinal Injuries to Students

In the event of a suspected head, neck or spinal injury to a student it is the policy of TLAT, in addition to the normal First Aid procedures, that the student's parent/guardian is contacted and informed of the injury.

The attending First Aider, in consultation with the parent/guardian, will decide the appropriate course of action in each case. The First Aider will ensure that treatment is not delayed by difficulties in contacting the parent/guardian.

In any case where there is any doubt about the student's wellbeing, the First Aider is expected to contact the Health Service Helpline 111 for advice or phone for an ambulance as appropriate.

Other Significant Injuries

Any other serious injury will be notified to the parents/guardians by the quickest means possible (normally by phone).

In addition to the procedures above the Academy will notify parents/guardians of any other significant injury by way of:-

- A telephone call
- A form

Records of notification by telephone to parent/guardians will be kept by The Academy Receptionist. Copies of written notification are held in the Academy's reception.

Escorting Pupils to Hospital

When it is necessary for a student to be taken to hospital they will be accompanied by a member of staff – unless the student's parent/guardian is in attendance.

The member of staff will stay with the student until a parent/guardian arrives and responsibility is transferred.

3. Pupils with Medical Needs

The school recognises that it has a responsibility to support pupils with medical needs. The School follows the Department for Education's guidance on managing medicines in schools and early years' settings:

(https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/306952/Statutory_guidance_on_supporting_pupils_at_school_with_medical_conditions.pdf)

Responsible Person

The Head of School is responsible for ensuring that the arrangements below are effectively implemented and maintained.

Medicine in School

Medicines will only be administered at school when it would be detrimental to a student's health not to do so. The school will store and dispense medication to students as long as:-

- It is prescription medication which has been prescribed by a medical practitioner with written instructions for its use; or
- It is non-prescription medication which has been supplied by the parent/guardian with written instructions for its use; and
- Written parental consent has been given.

The school does not keep or dispense any other medication

Medication brought into school must be clearly labelled with the student's name, dosage, method of administration and be in-date.

Medication will be available to identified students at all times of the school day.

Self-Management of Medication

In certain circumstances the school will allow students to manage their own medication. In each case this will be discussed with the parent/guardian and appropriate health professionals and an assessment of risk will be completed.

The assessment of risk will include an evaluation of the risk to the student and others through inappropriate use of the medication, loss of the medication or failure to take the medication

Storage of Medicine

Medicines will be securely stored in The Head of Schools office

All medicines must be signed in to the Medicines Log.

Any medicine given out or administered must be recorded in the Medicines Log.

Medicines can only be given out by an authorised staff member

Facilities for Medical Procedures

A room has been provided for medications and medical treatments to be administered in a quite space ensuring privacy

Training

The responsible person will ensure that sufficient staff are suitably trained in the administration of medication and support of students with medical needs.

The responsible person will keep a record of all medical needs training.

Sharing of Information

The responsible person will ensure that relevant staff are made aware of any student's medical condition. This information will include, where appropriate:-

- Medical condition
- Side effects of medication
- Signs and symptoms
- Modifications and allowances
- Emergency actions

The responsible person will also ensure that relevant information is shared with cover staff etc.

Individual Healthcare Plans

The responsible person will work with (or identify an appropriate member of staff to work with) healthcare professionals and parent/carers to establish an effective Healthcare Plan where appropriate.

Healthcare Plans will be reviewed if there is reason to suspect that the plan is no longer appropriate and at least annually. A Healthcare Plan review can be initiated by the school, healthcare professional or the parents/carers.

Risk Assessment

In addition to the Healthcare Plan the school will carry out individual risk assessments for any student where the student's medical needs introduce new risks to an activity or increase existing risks. This will include (but may not be limited to) individual risk assessments for off-site activities, sporting activities and practical lessons.

Risk assessment for off-site activities, in particular, will include consideration of:-

- Access to medication
- Appropriate storage of medication
- Staff training in administration of medication
- Emergency procedures

Acceptable Practice

The responsible person will ensure that

- Students have access to their medication at all times during the school day or during educational activities off-site.
- Healthcare Plans reflect the needs of the student and take into account the views of parents/carers and advice of healthcare professionals
- Every effort is made to ensure that students with medical needs are able to stay in school for normal school activities (including lunch) unless there is a specific reason detailed in their Healthcare Plan which will prevent this.
- If the student becomes unwell; ensure that he/she is accompanied to the school office/medical room by an appropriate person.
- Students with medical needs are not penalised in their attendance record if their absences are related to their medical condition, hospital appointments, etc.

- Toilet, food and drink breaks are provided where necessary in order to manage a student's medical condition.
- Arrangements for administering medication do not include the need for parent/carers to attend school.
- Every effort is made to ensure that students with medical needs are able to take part in every aspect of school life including off-site activities, sporting events and practical lessons.

Complaints

Parents/carers are encouraged to contact The Head of school if they are concerned or dissatisfied in any way with the support provided by the school for a student with medical needs.

If concerns cannot be resolved in this manner; parents/carers can follow the school's complaint procedure.

4. Accidents/Incidents

Reporting Officers

The following members of staff have access and authority to report accidents and incidents:

Head of School

Staff are required to report all accidents/incidents to a reporting officer within a reasonable timescale.

Students are required to report all accidents/incidents to a member of staff.

The Reporting Officer will record incidents using the systems below.

Accident/Incident Reporting Systems

This School records all significant accidents and incidents using the Cornwall Council Online Accident Reporting System. A significant accident is:-

Any incident resulting in an injury to a member of staff

Any incident resulting in an injury to a visiting member of the public

Any incident resulting in an injury to a contractor on the school site

Any incident resulting in an injury to a student which was (or might be) due to

- The condition or layout of the premises or facilities
- The condition of any equipment in use
- The level (or lack) of supervision
- The level or quality instruction or training provided

Any "Dangerous Occurrence" as listed in the schedule to the Reporting of Injuries Diseases and Dangerous Occurrences Regulations (RIDDOR)

Any "Occupational Disease" as listed in RIDDOR.

Further guidance on what should be reported is available through the Online System or the School Messenger website.

Where the description of the accident/incident meets the criteria set out in RIDDOR a report will be sent to the Health and Safety Executive.

Any minor accident/incident which does not meet the above criteria will be recorded on a simple "Day-Log" which will be kept in the school.

Near Misses

Where an incident occurs which could have resulted in injury – but didn't – a record will be kept in a Near Miss Log.

The Near Miss Log is kept by Academy's receptionist in Academy's reception.

The Near Miss Log will be reviewed periodically by Head of school in order to identify any areas of concern which may require attention.

Reporting Timescales

Person reporting the accident/incident	Reporting timescale
Students will report accidents/incidents to a member of staff	Straight away if possible and in any case on the same day as the incident
Staff will report accidents/incidents to a reporting officer	Straight away if possible and in any case on the same day as the incident
Reporting Officers will complete the online report	Usually within 48 hours and in any case within 7 days.

Accident/Incident Investigation

All incident reports will be reviewed by Executive Head Teacher who will decide if an internal investigation is necessary. Investigation reports will be entered onto the Online Accident Reporting System. Significant incidents (as determined by Head of School) will be reported to the Executive Head Teacher and the Health and Safety Governor.

All reports submitted via the Online Accident Reporting System are reviewed by the Health Safety and Wellbeing Services Team of Cornwall Council.

Health Safety and Wellbeing Services will recommend an independent investigation of the accident/incident if the review indicates a need. Executive Head Teacher will decide if this investigation takes place

5. Training

Identification of Training Needs

The School will carry out an evaluation of the health and safety training needs of staff. The Cornwall Council Training Matrix for Schools and Other Educational Establishments will be used as the starting point of this evaluation.

A prioritised plan for delivery of training will be put in place where the evaluation identifies a need.

Head of School is responsible for carrying out the evaluation of training needs and presenting recommendations to the Executive Head Teacher and the LAB.

Staff Responsibilities

Staff must attend health and safety training provided by the school.

6. Risk Assessment

Risk Assessment

The School will seek to identify all activities and situations where there is a likelihood of significant risk. Significant risks will be assessed and controls will be introduced to remove or reduce those risks.

Risk Assessment Process

The school will carry out risk assessments using EECLIVE Risk Management.

The Head of school is responsible for managing the risk assessment process and producing relevant reports for Executive Head Teacher and the LAB.

Copies of risk assessments are available from EEC Live system/ in Academy reception

Staff Responsibilities

All staff are required to support the risk assessment process.

Staff identified with responsibility for activities are required to carry out or lead the risk assessment process for those activities.

Teachers and Head of school are responsible for ensuring that risk assessments have been completed for all activities where there is a significant risk.

Safe Working Procedures

Where appropriate risk assessments will be used to develop safe working procedures. These safe working procedures will form the basis of the school's normal operating procedures. Copies of safe working procedures are available from Academy's receptionist.

7. Fire

Fire Officer

The person responsible for organising the school's fire precautions is School Secretary – Vicky Worrall

Christian Cotton will deputise when the Fire Officer is not present.

The Fire Officer is responsible for:-

- Arranging a fire evacuation drill at the beginning of the academic year and at least once every term (once per half-term where practical)
- Recording the significant results of the fire evacuation drills
- Feeding back the school's performance during evacuation drills to management and other relevant persons.
- Ensuring that the Fire Log is kept up-to-date (arranging from alarm tests every week, emergency lighting every month, fire extinguisher checks, etc.)
- Ensuring that a fire risk assessment is carried out and kept up-to-date
- Reporting to the Head of School on issues of significance.

All Staff

All staff are responsible for ensuring that students and visitors evacuate in an orderly and timely fashion in the event of the alarm sounding.

Staff are also responsible for ensuring that they:

- Do not store combustible materials in escape routes or against sources of combustion
- Do not leave fire-doors wedged open
- Do not misuse any equipment provided for fire safety
- Report any defect in equipment provided for fire safety
- Report any fire hazard.

Fire Wardens

The school has identified the following people as Fire Wardens for areas of the school:-

Vicky Worrall & Christian Cotton

Fire Wardens have received training in fire prevention, the principles of fire safety, safe use of firefighting equipment and effective evacuation procedures.

Periodically Fire Wardens will carry out inspections of their area of the school to identify fire hazards and any other fire safety related issues. These inspections will be reported to the Fire Officer or senior member of staff for action.

In the event of a fire, Fire Wardens will assist in the evacuation of the premises by:-

- Supervising and directing students and staff to areas of safety.

Fire Fighting Equipment

Firefighting equipment has been positioned at appropriate positions around the site.

In accordance with the Regulatory Reform (Fire Safety) Order a number of staff have been given training in the use of firefighting equipment:-

Vicky Worrall & Christian Cotton

Evacuation and Registration Procedures

- Alarm system details (including methods for raising the alarm)
- Exit routes
- Assembly points
- Signage
- Contingency arrangements if a quick return to the building is prohibited
- Arrangements for taking registers
- Arrangements for other people on site (e.g. contractors, visitors, etc.)
- Emergency contacts & mobile phone
- Arrangements for contacting the emergency services
- Arrangements for liaising with the emergency services once they arrive on site.
- Arrangements for evacuating disabled people (each person will require a personal emergency evacuation plan (PEEP))
- Arrangements for evacuation to a location off-site
- Arrangement for other emergency evacuation such as flood, bomb threat, etc.

8 Electricity

School Owned Portable Appliances

The school will undertake to inspect and test all its portable electrical appliances by a competent person on the following basis:-

In accordance with HSE guidance

Tests will be carried out by a trained member of staff or a competent contractor

All test Certificates will be kept in the online compliance log and a hard copy in the school building for the duration of the life of the appliance.

Personal and Privately Owned Portable Appliances

Personal items of electrical equipment may only be bought into the school/academy by prior agreement. Equipment must be presented to The Premises Manager for testing prior to use. All personal items of electrical equipment must only be used in conjunction with a residual current device

Coordinator

The Premises Manager is responsible for keeping an up-to-date inventory of all relevant electrical appliances and for ensuring that all equipment is available for testing.

The Coordinator is also responsible for ensuring that a fixed wiring inspection is carried out for the premises.

9. The Control of Hazardous Substances

Hazard Assessment

All substances which may be considered hazardous to health under the Control of Substances Hazardous to Health (COSHH) Regulations have been assessed using Cornwall Council's COSHH Assessment Process.

The exception to this is for substances and preparations used in Science – these substances and preparations are used in accordance with the Hazcards provided by the Consortium of Local Education Authorities for the Provision of Science Services (CLEAPSS).

A central copy of COSHH assessments is kept by Ian Drake Estates Manager

Staff Responsibilities

Staff shall not use any hazardous substance without first having read the COSHH Assessment (or Hazcard in Science).

Staff shall inform the COSHH Coordinator of any new hazardous substance purchased in order that an assessment can be made prior to use.

COSHH Coordinator

The Premises Manager is responsible for ensuring that, before any new substance/chemical is used, a COSHH assessment has been obtained from Cornwall Council.

The Coordinator is responsible for ensuring that COSHH assessments are seen and understood by those staff who are exposed to the substance/preparation.

The Coordinator is also responsible for ensuring that any updated COSHH assessments received are seen and understood by those who are exposed to the substance/preparation and that the COSHH file is kept up-to-date.

The Coordinator is responsible for ensuring that COSHH assessments are also obtained from contractors on site (both regular contracts such as cleaners and caterers and from builders, decorators, flooring specialists, etc.) where persons may be affected by their use of site or the storage of such substances/preparations may need to be controlled.

In addition, any hazardous substances or preparations being used by visiting artists, crafters, etc. must have appropriate COSHH assessments before being used in the school.

10. Display Screen Equipment

Workstation Assessment

Head of School is responsible for overseeing the assessment of all display screen equipment (DSE) used by people at work (i.e. excluding student workstations) to ensure that it is suitable for the task and complies with legislation and the relevant British Standards.

Equipment

Appropriate DSE equipment will be provided as identified by workstation assessments.

Eye Tests for Display Screen Equipment Users

All school employees who are defined as display screen equipment (DSE) users are entitled to a free eye test and special glasses for use with DSE.

DSE users are defined as:-

- Employees who use display screen equipment as a significant part of their normal work; and
- Use DSE for continuous or near continuous spells of an hour or more at a time; and
- Use it in this way more or less daily; and
- Have to transfer information quickly to or from the display screen equipment; and
- A requirement to apply high levels of attention and concentration; or are highly dependent on DSE or have little or no alternative means of completing the work/task.

(Agency staff and other people at work in the school should contact their own employer for details of arrangements that apply to them).

Staff who are entitled to eye tests can request an eye test through the SAS app or by using the Eye test request form

11. Work Equipment

The Premises Manager is responsible for overseeing the purchase of all work equipment.

All work equipment must be purchased from a reputable supplier for the type of equipment that is required. Before purchase consideration must be given to:-

- The installation requirements
- The suitability for purpose
- The positioning and or the storage of the equipment
- Maintenance requirements (contracts and repairs)
- Training and use of the equipment

Staff must not use new items of work equipment unless appropriate training has been given.

12. Management of Contractors

Contractor's policy

The Premises Manager is responsible for overseeing the management of all contractors on site.

The Premises Manager is responsible for overseeing the management of all contractors on site where schools have utilised TLAT approved contractors. Where schools engage with contractors themselves the responsibility then rests with the Head of School/Executive head.

Selection of Contractors

The school will only select contractors to carry out work who have demonstrated:-

- Competence to carry out the work required (by way of training, knowledge and experience)
- Assessment of the risks associated with the work
- A safe scheme of work
- Appropriate management of the work
- Appropriate vetting procedures for their employees where appropriate
- Appropriate employers and public insurance

Management of Contractors

Supervision of contractors will, to an extent, depend on the type of work being carried out:

- New contractors or contractors visiting the site on a one-off basis will be directly supervised by a member of school staff.
- Term contractors or regular contractors to the site will only be allowed unsupervised access following appropriate checks and assurances from their employer.

All contractors will be required to carry visible identification.

Direct supervision will not be necessary where the area of work is physically separate from the school (for example: where there is construction on site).

Construction Works

For all construction works (other than minor maintenance works) the area under construction will be physically separated from the rest of the school and will be out-of-bounds to all non-construction workers except for the purposes of contract management.

13 Personal Protective Equipment

Academy Responsibilities

Personal protective equipment (PPE) will be supplied to control hazards only as a last resort – i.e. where the hazard cannot be removed or reduced to an acceptable level of risk by other means.

Where provided the Academy has a duty to ensure that PPE is used effectively. Managers will be expected to monitor the use of PPE and enforce its use where necessary.

Assessment of Need

The need for PPE will be determined during the Risk or COSHH Assessment process.

Where identified as necessary PPE will be provided without cost to staff or students.

Purchase and Storage of PPE

The Premises Manager will be responsible for the purchase of PPE ensuring that it is of the correct type, is suitable for the purpose and of the correct size to ensure that the fit is comfortable for the wearer and takes account of any health or medical conditions.

In addition, the Premises Manager will ensure that suitable arrangements are in place for the storage, cleaning and replacement of PPE.

Staff and Student Responsibilities

When issued with PPE; staff and students are required to wear it correctly.

Staff must take all reasonable precautions to ensure that PPE is stored and maintained properly.

14 Working Alone

It is recognised that, from time to time, it may be necessary for school staff to work in situations or locations which are remote from other members of staff. This will include staff working in the evenings, weekends or during the holiday in the school on their own.

In such circumstances the school will assess the risk to these individuals and will introduce suitable controls to ensure that all risks are minimised. A copy of the procedures introduced to control these risks will be kept in the Academy's Reception.

Any staff wishing to work outside normal school hours must have prior agreement/permission from The Head of School.

School Security

The Premises Manager is the appointed person who is responsible for the security of the site at the end of the day by ensuring that doors, windows, skylight etc. are secured.

The Premises Manager is responsible for carrying out checks of the premises during holiday periods.

School Staff/Governors Responding to Call-Outs

Staff nominated as out-of-hours key holders are sometimes required to attend site following the activation of the alarm. When they are called out they will not know what situation they will find and consequently systems need to be established which reduce the potential for them to be harmed.

It is considered that it is foreseeable that when attending a call out there is a potential for injury due to assault (which is rare) or as the consequence of an accident.

Clive Roberts, Kaye Pitcher, Alison Brook & Vicky Worrall the school's nominated representatives who will respond in an out-of-hours call out.

The school will assess the risks to these individuals and introduce suitable control measures to ensure that all risks are minimised.

Call Out Arrangements

The school will introduce call out arrangements that will reduce the possibility of injury to staff and which ensure that if an incident occurs support will be provided.

The following are viewed as acceptable call out arrangements – delete those not applicable and personalise:-

Lone Person Attends –

Intruder alarm will never result in a lone attendee response.

A fire alarm would/could result in alone attendee response. At this point the lone attendee would operate within the lone working policy

15 Violence

Zero Tolerance

Violence is not tolerated in this school. Action and the appropriate sanctions will be taken against the perpetrator of any violence towards staff, students or visitors to this school.

Violence towards Staff

Violence towards staff from other members of staff, visitors or members of the public will be reported to the police.

Violence towards staff from students will be dealt with using the school's internal disciplinary procedures (which may include police involvement where appropriate).

Violence towards Visitors

Violence towards visitors will be reported to the police.

Violence towards Students

Violence between students will normally be dealt with using the school's internal disciplinary procedures (which may include police involvement where appropriate).

Violence towards students from staff, visitors or members of the public will be reported to the police.

Responsible Person

Head of School is responsible for ensuring that all:-

- Staff are aware of the policy and procedures for dealing with violent incidents
- Staff have received instruction in procedures/techniques for avoiding violence at work
- Staff are aware of the procedures for reporting violent incidents
- Incidents of physical and verbal abuse are recorded using the Online Accident Reporting System

Positive Handling

Team Teach is a training package for staff utilising de-escalation and positive handling strategies to support a child when they are in a crisis situation. Within this school the following staff are trained in Team Teach techniques:
