

Ancient Egypt Spring Term 2019

Kestrels Class

As **Historians and Geographers** we will be looking at Ancient Egypt. Considering trade links and settlement on the Nile; the climate zone, and the significance of events and people during this time.

As **Artists** we will create mixed media Egyptian style self-portraits, and also make clay Canopic jars.

As **Scientists** we will be studying Sound, learning about vibration, pitch, volume and the distance that sound can travel.

As those who are **Physically Active** we will be improving skills in gymnastics, and learning how to play hockey with increased skill levels.

As those who study religions of the world we will be learning about Judaism.

As **chefs** we will be preparing and cooking a variety of savoury dishes using a range of cooking techniques.

As **readers** we will be studying: The Egyptian Cinderella
